

# CONGRATULATIONS TO THE BRIGHT SPARKS AT ECOSYSTEMS LTD

ECOsystems has won the Genesis Energy Commercial/Services Award at the 2006 EECA EnergyWise Awards for their energy savings upgrades of the McDonalds Head Office in Auckland. This prize gives Genesis Energy the opportunity to recognise businesses who demonstrate outstanding innovation in energy efficiency or renewable energy projects.

Genesis Energy would also like to congratulate fellow finalists YHA New Zealand and Ports of Auckland, for sharing in their commitment to conserve and sustain New Zealand's energy supply.
